

黑白鍵上的舞動

Piano Dance @ QRE

全力支持
Performance by

多姿多彩的灣仔叫人樂而忘返，為增添灣仔歡樂共融的氣氛，我們將於合和中心地下露天廣場設置區內首個約6米長的巨型琴鍵鍵盤！途人可在黑白鍵上翩翩起舞，譜出專屬自己的動人樂章。活動期間更邀請林佩佩舞蹈工作坊（Hong Kong Funky Dance Centre）的專業導師精心編導多段扣人心弦及活潑愉快的鋼琴舞蹈，以超強節奏感演繹世界知名鋼琴曲及流行曲。以視覺及聽覺新享受，為11月舉行的皇東節揭開序幕。

To celebrate the vivid livelihood of Wan Chai and enhance the viable ambience in this community, a gigantic piano will be installed at Open Piazza of Hopewell Centre! You can dance freely in your own rhythm on the 6-meters giant piano and create a masterpiece on the black and white keys.

Meanwhile, professional dancers from Hong Kong Funky Dance Centre have specially created a series of magnificent “Piano Dance” performance. From world class piano songs to well-known pop songs, you will not be disappointed by the innovative modern performance during the festivity. Don't miss the excitement of the shows and create abiding memories with your family and friends.
